PARENTS TEACHERS ASSOCIATION

Importance of Parent Teacher Association The role of education for the betterment of the society cannot be neglected. In order for the school to function effectively for the student's welfare, it is important for both teachers and parents come together. This is well achieved by the Parent Teacher Association (PTA) in the school. The importance of the PTA cannot be given a deaf ear.

FUTURE INTERNATIONAL SHOOOL understands this aspect and offers Parent Teacher Association. There are innumerable benefits associated with the PTA in the FUTURE INTERNATIONAL SHOOOL . One of the greatest benefits associated is that it helps teachers to understand students from the parent's perspective and vice versa. It helps parents to know all about the functioning of the school, problems and so on. It works towards making the school better and the best place to get a quality education. In this, it is the teachers and the parents that sit together and discuss various issues regarding school and even a particular student.

AIMS AND OBJECTIVES

The aims and objectives of the association shall be:

1. To provide the platform for parents, guardians, and teachers of students to meet, exchange, deeply analyse issues, make recommendations and effectively pursue the implementation of decisions on matters affecting education.
2. To foster mutual understanding, harmonious relationship and cooperation among parents, guardians, and teachers in the fulfilment of their common aim, the welfare of the school and the pupils/students therein.
3. To make for a healthy and sympathetic understanding of the education policies and programs of the school and thus influence the same to create a suitable climate for the reception of the same.
